

## Canal Celebration 2024

This year we will be celebrating Canal Days for the 37th year. Our goal is to make this year's event unforgettable!

We have two goals: First, to allow families and youth of the community the opportunity to enjoy a fun-filled weekend of events and games at no cost to them.

The second goal is to incorporate all local businesses into the Canal Days celebration. For this event to be a success we will need their support and assistance.

Every business that donates to Canal Days will be proudly displayed on the back of this year's Canal Days celebration T-Shirt. If the business sponsors an event, their name will be proudly displayed on a sign next to the event. In addition to this all sponsors will be included in any media releases. The more participation we have the better we can make the event, and the better the event the more your business will be seen.

We will feature arts, crafts, car shows, foot races, fishing derbies, fun paddles, live entertainment, walking tours, fireworks and much more.

We also want to plan a fun "scavenger hunt" that will entice the community to visit our local businesses and to shop locally.
