## Welcome to Little Falls

### A Great Place to Shop and Play!

Little Falls is a gem of a small city in Upstate New York. Our local businesses offer everything from the mundane, such as groceries and farm supplies, to the exotic, such as fine art, antiques and handcrafted jewelry! Much of the city's business district lies within the Little Falls National Historic District, and visiting Main Street and Canal Place is like stepping back in time to the era of the Erie Canal and the textile mills of the Mohawk Valley!

Opportunities for outdoor recreation abound in Little Falls! The city has a harbor serving canal boaters, with picnic facilities, and canoe and kayak rentals. If you enjoy bicycling, then you will love the scenic NY Canalway Bike Trail that runs along the Mohawk River east from Little Falls to Schenectady. If rock-climbing or exploring unique geological formations is your thing, then you must visit Moss Island. For relaxation, play a round of golf at our beautiful municipal course, or go fishing along the Mohawk River. Explore a world of fun: explore Little Falls!
